## President's Message

May 3 , 2009

**I** am absolutely astonished at the fantastic turnout for our monthly chapter meeting at the home of Marvin and Carolyn Sikes, in spite of the high chance of storms. The food was fantastic, as would be expected. It makes me want to cry when I see the immaculate shop in which Marvin does his work. As always, Marvin, Carolyn, and their son Marty had their cars on display. You would have thought you were on the concourse at Hilton Head, waiting for the judges! After the food and festivities were concluded, we were invited across the street to Marvin and Carolyn's neighbor to admire his European collection. What a selection....everything from a British MGB to the top of the line Italian "Lambo". What's not to like?

As I receive more information on the SASCO issue, I will pass it along. Everyone remember to watch *The Hillholder* calendar of events for upcoming car shows and tours. Sometimes they are doubled up on Saturdays. Be sure to pick one and by all means drive your Studebaker. Keep them rolling so people will notice.

Please remember to keep our members that are ill in your thoughts and prayers. If you get a minute, give Dorothy Brown a call. John is still continuing to fight his battle with leukemia. If anyone knows of other member(s) that are under the weather, please let us know so we can check in on them.

I'm looking forward to seeing a big crowd at the Elliott estate in Fayetteville on June 7. Whatever you do, drive a Studebaker.

Studebakerly,

**Dan Miller**

## North Georgia Chapter, Studebaker Drivers Club

## Meeting Minutes

May 3, 2009

- President Dan Miller opened the meeting. Thank you so much to Marvin and Carolyn Sikes for hosting us today.
- We again had a strong turnout, with over 50 members and guests in attendance. Our guests included: Juan and Beatriz De Irisarri, Betty Jo Elliott (mother of Tom), Vail and Linda (Carolyn's #1 kitchen assistant) Frost, Don and Marlene Hart, Dave and Beverly Kirkman (Jaguar Club), Mr. and Mrs. Milton Robson of Gainesville, and Stan Tucker (Cadillac LaSalle Club).
- Announced birthdays, anniversaries, and those members we need to keep in our prayers.
- Lenny and Phyllis Major still have medium and large club shirts for sale. They will order some extra-large shirts this week.
- Alan Ziglin brought a sign-up sheet on which members could indicate their firm plans or intentions to join the Fourth of July parade in Dunwoody. Alan needed to give the city an indication of how many to expect. After the meeting, Alan told your editor that members can bring more than one Studebaker or Avanti if they like.

Alan saw in a Pontiac club magazine an article mentioning the SDC as a very active organization dedicated to a no-longer-produced marque. Since that article, General Motors has confirmed that Pontiac will be joining the ranks of orphan car brands.

- Dan told us that the City of South Bend plans by year-end to demolish the former Studebaker building that currently houses SASCO. This topic has gotten a lot of discussion lately on the SDC online forum. Among the outcomes being speculated would be for a large vendor such as Studebaker International to take over the inventory. We will keep you posted as things develop. If you want to be on SASCO's parts liquidation list, drop Dennis Lambert an e-mail at: dlambert@studeparts.com. He'll be sending out info on liquidation specials, open house sales and the like. Just put "liquidation list" in the subject line so he can compile names.
- Ed Burris tells us that the Keystone Chapter made over \$19,000 profit from the Lancaster Meet. Ed Reynolds will not be running for SDC President next year; Mimi Halgren of California has been nominated for the next term. Jan Lockmon is retiring as SDC Secretary.
- Charlotte Delli presented the Treasurer's report; a copy will be in *The Hillholder*. A few members still have not paid dues for 2009. **Please note that these were due at the end of last year.** The 2009 roster will be prepared soon, and we want to include you.
- Jim Nichols had registration forms for the Georgia Mountain Classics Car Show on May 9. Rick Kamen reminded us that he is leading a day tour of northeast Georgia that same day.
- Mrs. Elliott drew for our 50/50 contest. We split the total proceeds of \$154 between the chapter and our winner, Maureen Elliott.
- Next we drew for door prizes contributed by our hosts. Winners were Connie Bergeron, Bill Delli, Norma Hernandez, and Alan Ziglin.
- Marguerite Smith had raffle tickets for the car being given away as part of the American Cancer Society's Relay For Life.

(continued next page)

- Our next meeting will be on June 7 at the home of Tom and Maureen Elliott in Fayetteville. Tom said members and their families are welcome to use the pool; please bring towels if you intend to swim. Also, it will help if members bring outdoor chairs so we will have plenty of seating. **Please let Tom and Maureen know by Wednesday June 3 if you intend to come.**
- Carolyn invited us to visit their neighbors' collection of imported cars after the meeting. Today was a real eye fest for car enthusiasts!

There being no further business, the meeting was adjourned. See you next month in Fayetteville!

## The Mailbox

Last month I received a call from Bill Studebaker of Woodstock. Bill told me about a company in Pennsylvania that produces t-shirts, sweatshirts, and hats that can be personalized. One of their styles has a generic college emblem and the word "University" below it. Bill is having some made up as "Studebaker University". Thought this might be of interest to members for family reunions, those who are members of several car clubs, etc. To learn more, visit <http://tinyurl.com/org3py>, or contact me for information.

### **Chris Collins**

Forwarded by Wayne Lee:

Hi Wayne:

Joe Parsons is maintaining a register for 1958 Golden Hawk owners, something like I'm doing for 1956 GH owners. I've established a message forum for him and his group. If you know of any 1958 Golden Hawk owners, or anyone interested in that particular model, they can visit the forum at:

<http://autos.groups.yahoo.com/group/58ghregister/>

### **Frank Ambrogio**

*(Mr. Ambrogio is a member of the Orlando Area Chapter, and is a recognized authority on 56 Golden Hawks.)*

I always say there are three things that should be shared. They are friends, flowers, and recipes. Here is the recipe for the Chicken Spaghetti. I hope that I can put it together in recipe form, as I usually just "wing it". But here goes!!

## CHICKEN SPAGHETTI

Boil chicken (one or two, depending on the size and amount of chicken desired in the spaghetti). Boil chicken with garlic, onion, salt and pepper. Remove chicken from broth. Let it cool and remove the chicken from the bone. Save the broth!

Boil spaghetti (12 oz. or 16 oz.) in the chicken broth, as per the instructions on the spaghetti package. Be sure and reserve some of the chicken broth to add to the sauce in the next step.

Sauté one large onion, one bell pepper, and three buttons of garlic.

Add one can diced tomatoes to the above sautéed onion, pepper and garlic.

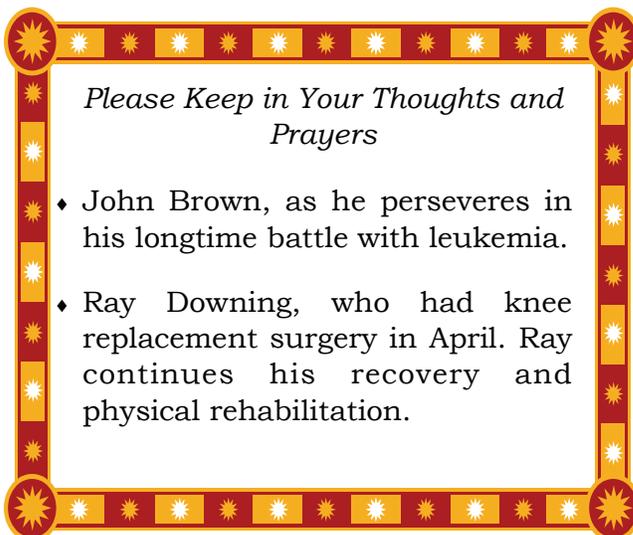

To the above sautéed ingredients, add 3/4 to 1 lb. of Velveeta cheese and 1/2 package of mild shredded cheese.

Add one can cream of mushroom soup and some of the reserved chicken broth to the sauce to thin it to your desired consistency. The sauce will thicken some as it cools, but keep in mind that when heated, it will thin.

Combine de-boned chicken and spaghetti to sauce and it is ready to serve.

Enjoy!!!

**Carolyn Sikes**

The City of Dunwoody Fourth of July Parade is the largest held in the state of Georgia. The North Georgia Chapter will be participating as an official club event. Members are encouraged to celebrate our nation's independence and commemorate International Drive Your Studebaker Day by entering your Studebaker or Avanti in the parade. Parade start time is 9:30 AM; we should arrive in the staging area around 8-8:30, before roads are closed off.

Please contact Alan Ziglin (770.399.0694) or Tom Elliott (770.460.1727) if you are interested in joining us at the parade. Alan is taking care of registration for our group. As we get closer to the event date, we will ask for firmer RSVP's so the parade organizers know how many of us to expect.

STUDEBAKER MEDIA

This is a 99 page book based on the articles of the same name that appeared in *Turning Wheels* in the early 1990s and which won the SDC's Churchill Award for Best Article, Non-Paid. The book contains all the material from the original series, which ran for a year and a half in *The Hillholder*, and not only replaces some material edited out for the *TW* series, but has updates and several new items that were written after the *TW* series was published.

"Some Thoughts" is aimed at the first-time restorer, but will be of value to the more experienced; it doesn't try to be a "how to restore a car book", but gives you a look at the decision-making processes, tools, spaces and basic skills you'll need to do a restoration, and will provide a framework to help you structure your project.

There are several chapters of Studebaker-specific advice. In the chapter devoted to engine rebuilding, I've tried to describe a step-by-step process that anybody can follow, and I've tried to include tips I've picked up in building 60+ engines. I've received many compliments on the engine chapter, and I'm glad to finally be able to get it in print.

*Some Thoughts on Restoring a Studebaker* is available for \$22.50 USD, plus \$4 for handling and postage, for a total of \$26.50 to US addresses. Canadian orders add \$6.50 USD for postage, total \$29.00 USD. To order a second book in the same order, add an additional \$3 (\$4 USD for Canadian orders). For Australia and Europe, shipping is \$12, total \$34.50 USD paid by PayPal only.

The easiest way to purchase (and only way if you are in Australia or Europe) is to PayPal the appropriate amount to me at [chuck@lampman.com](mailto:chuck@lampman.com), and mention Some Thoughts in the remarks section. Otherwise, if you live in the US or Canada, send your name, mailing address and a check or USPS money order for \$26.50 (\$29.00 USD bank draft for Canadian buyers) to:

Chuck Lampman  
4141 Lynette Ct.  
Kennesaw, GA. 30144-2293

If mailing payment, please email me to notify me that the check is coming so I can set one aside for you, or get some more printed. (I try not to keep too big an inventory because they are expensive to stock.) (8/2009)
