## President's Message

January 16, 2010

**W**hat a pretty day it turned out to be, considering the previous two weeks. Yes, it was still a little nippy, but at least it was reasonably clear and not snowing or sleeting.

I want to thank all of you who attended at Provino's Restaurant. Thank you also to Chuck and Cindy Lampman for making the arrangements. As always, the food was fantastic.

I appreciate all of our members who have participated with the donations for ALS. Maureen gave us the facts and figures and Chris will post them in the minutes.

Make sure everyone checks their Membership status in the Chapter as well as the National SDC. It's important to keep them current so you won't miss any issues of *The Hillholder* or *Turning Wheels*. The roster will be printed in March, so everyone be sure to renew in order to be included.

With the beginning of a new year, let's try to make a concerted effort to attract new members. When you go to a car show or cruise-in to show your car, there are times when you're questioned by a stranger about your car and if there's a club for Studebakers. This is the "open door" for your opportunity to introduce yourself and to promote our Chapter as well as the SDC. Be friendly, "invite them in". Also, if we have a guest or a new member at one of our chapter meetings, be sure to introduce yourself, welcome them, and introduce them to other members. Trust me...it will make a big difference. Remember, we have handouts about the club; you can keep copies in your glove box. See me, Wayne Lee or Ed Burris if you need more.

Barbara and I met with the management of the Braselton Country Inn and Suites this past Wednesday. This was a fact-finding mission to get some basic information for our upcoming S. E. Zone Meet. Things went well and we were both impressed with their willingness to accommodate our needs. As I mentioned at our January meeting, we need to form a "Meet Committee" so that thoughts and ideas can be shared before a group. It is much more effective to have a group discuss ideas and agree or disagree with them, instead of having just one person's input. Many different thoughts produce many different ideas. We will have a signup sheet at the February meeting.

According to the latest *Turning Wheels* calendar, Ed Burris's calendar, and Wayne Lee's calendar of upcoming meets, the weekend of October 8<sup>th</sup>, 9<sup>th</sup>, and 10<sup>th</sup> appears to be the earliest available in the fall without any other meet conflicts. This has not been permanently selected, only tentative.

As always, I appreciate everyone's help and participation in making this chapter one of the best in the USA.

Looking forward to seeing everyone in February in Dunwoody.

You can show people pictures of your Studebakers, you can tell them about your Studebakers, but nothing beats you bringing your Studebaker in person. Drive'em every chance you get.

**Studebakerly,**

**Dan Miller**

*Please Keep in Your Thoughts and Prayers*

- ◆ Paula Martin, as she continues to recover from last year's surgeries.
- ◆ Carolyn Sikes, who will have back surgery performed during March.

North Georgia Chapter, Studebaker Drivers Club  
Meeting Minutes  
January 10, 2010

- President Dan Miller opened the meeting. We had a good turnout today, especially considering the cold weather. Thanks to Chuck and Cindy Lampman for again kicking off the chapter year by hosting us at Provino's.
- Announced birthdays, anniversaries, and those we need to keep in our thoughts and prayers. Dan mentioned that Paula Martin has had a challenging few months, and we wish her a speedy and complete recuperation from last year's surgeries. Carolyn Sikes will be going into the hospital during March for some extensive back surgery; we will keep you informed as to her progress.
- Next week, Dan and Barbara will meet with the hotel in Braselton for preliminary discussions on the upcoming 2010 Southeast Zone Meet our chapter will be hosting. A September-October timeframe has been suggested for this event. Please contact Dan or Barbara with suggestions for this meet.
- Wayne Lee reported that the 2012 Southeast Zone Meet, hosted by the Orlando Chapter, will be a multi-marque event featuring other orphan makes along with Studebakers and Avantis.
- Tom Elliott said the World of Wheels show will be here in late January. A stunning 1951 Commander convertible is expected to be among the highlights of the entire show. See *The Hillholder* for event information. The Keystone Region annual swap meet in York, Pennsylvania will be March 4<sup>th</sup> through 6<sup>th</sup>. Many of us know George Reitenour for his expertise in Studebaker and South Bend watches. George had another heart attack recently, and is having some struggles in recovering this time.
- Charlotte Delli presented highlights from the Treasurer's Report; a copy will be in *The Hillholder*. 37 members have renewed so far, which leaves about 28 left to pay. Two new members joined the club, bringing our current membership count to 66. Please remember that the 2010 roster will be closed on March 1<sup>st</sup>, so get your \$10 dues to Bill or Charlotte right away.
- Chuck Lampman mentioned that Carolyn Sikes is now the proud owner of the Avanti that Dorothy Brown had for sale. The 1955 Speedster project remains available, and two 1953 cars will be marketed in the future, along with a collection of parts. The 1957 Golden Hawk and a four-post lift are now for sale; see *The Hillholder* classifieds for details.
- John Spang let us know he is putting his 1951 Land Cruiser on the market; we will place the ad in *The Hillholder*. John also handed out calendars from his rack and shelving business, Rack Men.
- Thanks to the support of the chapter and its members, Tom's Scooterbakers raised over \$8,000 for the ALS walk. Maureen Elliott said the team will be recognized at an awards dinner for being one of the top ten fundraisers. The first stem cell transfer surgery is planned to be done in a couple of weeks. We hope the initial evaluation of this course of treatment is successful, and will lead to larger trials that can include more participants.
- Alan Ziglin participated in the Polar Bear Run on December 26<sup>th</sup>. Sponsored by the Georgia Triumph Association, this was a well-organized event with excellent directions for the driving tour. About 80-90 cars took part.
- Ann Lee won the 50/50 drawing, splitting the \$77 pot with the chapter.
- Next month's meeting will be at Granny Smith's Country Home Cooking Buffet in Dunwoody. Details will be in *The Hillholder*. No need to RSVP.

There being no further business, the meeting was adjourned. See you next month at Granny Smith's!

#### STUDEBAKER MEDIA

This is a 99 page book based on the articles of the same name that appeared in *Turning Wheels* in the early 1990s and which won the SDC's Churchill Award for Best Article, Non-Paid. The book contains all the material from the original series, which ran for a year and a half in *The Hillholder*, and not only replaces some material edited out for the *TW* series, but has updates and several new items that were written after the *TW* series was published.

"Some Thoughts" is aimed at the first-time restorer, but will be of value to the more experienced; it doesn't try to be a "how to restore a car book", but gives you a look at the decision-making processes, tools, spaces and basic skills you'll need to do a restoration, and will provide a framework to help you structure your project.

There are several chapters of Studebaker-specific advice. In the chapter devoted to engine rebuilding, I've tried to describe a step-by-step process that anybody can follow, and I've tried to include tips I've picked up in building 60+ engines. I've received many compliments on the engine chapter, and I'm glad to finally be able to get it in print.

***Some Thoughts on Restoring a Studebaker*** is available for \$22.50 USD, plus \$4 for handling and postage, for a total of \$26.50 to US addresses. Canadian orders add \$6.50 USD for postage, total \$29.00 USD. To order a second book in the same order, add an additional \$3 (\$4 USD for Canadian orders). For Australia and Europe, shipping is \$12, total \$34.50 USD paid by PayPal only.

The easiest way to purchase (and only way if you are in Australia or Europe) is to PayPal the appropriate amount to me at [chuck@lampman.com](mailto:chuck@lampman.com), and mention *Some Thoughts* in the remarks section. Otherwise, if you live in the US or Canada, send your name, mailing address and a check or USPS money order for \$26.50 (\$29.00 USD bank draft for Canadian buyers) to:

Chuck Lampman  
4141 Lynette Ct.  
Kennesaw, GA. 30144-2293

If mailing payment, please email me to notify me that the check is coming so I can set one aside for you, or get some more printed. (I try not to keep too big an inventory because they are expensive to stock.) (3/2010)
