President's Message

October 11, 2010

Well, members, we can all look back and rest easy knowing we did an outstanding job hosting OUR 42nd Annual Southeast Zone Meet. To put the icing on the cake, Mother Nature couldn't have provided a more beautiful weekend for our event.

From my and Barbara's view point, there is **NO WAY** this meet could have been **THIS** successful without the tremendous help from our chapter — volunteers. Planning for this size meet has to start at least six months ahead in order to have everything in place before "Show-Day". Many thanks go to the ladies who cooked and supplied the edibles, as well as handling everything else going on in the hospitality room. Thanks to Charlotte Deli for her diligent work at the registration table. We couldn't have done it without you. Also to the guys and gals that organized the divisional line up of the cars and vendors on the show field. I also want to thank all of those that contributed gifts and items for the door prize drawings, as well as the **VERY** nice items for auction. For those of you that missed the banquet, the food prepared by "The Master's Table" was just as good as Mother's home cooking, and there were 89 or 90 people who can attest to that. The totals on the proceeds of the meet will be forthcoming.

We received many compliments on the hotel accommodations as well as the show car parking venue. We were very pleased to have 10 parts vendors and also a lunch vendor for fresh grilled hamburgers and hot dogs on the show grounds. The sound system, playing "period" music, was furnished and set up by Stephen Delli, son of Bill and Charlotte.

It is getting to the point now that almost every weekend has some type of Studebaker event scheduled in the Southeast Zone. With that situation, it is hard to get the large attendance figures we were accustomed to in years past. Having said that, we're very appreciative of those Zone members who did decide to attend our meet.

Our November North Georgia Chapter meeting will be hosted by John and Arlene Hollier in Cumming. Location with directions and map in this issue of *The Hillholder*. Looking forward to seeing everyone there!

Studebakerly,

Dan Miller

Alan Ziglin was our auctioneer at Saturday night's banquet

The Mailbox

The Jefferson Lions Club would like to thank the North Georgia SDC members for donating the drinks, chips, and desserts that were left over from the Hospitality Room at the Zone Meet. The Jefferson Lions had their annual Fall Picnic the Monday following our Meet, and were able to use these food items for the picnic. Thank you so much from all the Lions.

Buddy and Dot Hunt

I would like to thank all of the Club Members for the Beautiful Roses that were given to me as an appreciation gift for the 42nd Zone Meet.

Also, I would like to take this opportunity to thank all the volunteers that helped me before and during the meet. The show could not have been such a success if not for you.

Sincerely,

Barbara Miller

Hi, everyone. I just wanted to check with any of you planning to walk again this year or any newcomers. Since I am not the team captain, please be sure to sign up on the website if you do plan to walk. Otherwise, we won't know how many t-shirts to order. We haven't decided yet on the shirts, and some people may choose to wear last year's shirt. The team captains will send a message about the individual charge for the shirts if we do not get enough sponsors to cover the cost.

Every walker who raises \$75 or more gets another t-shirt from the ALS Association. We do not have a complete total on our team page yet, but it appears we have \$3,500+ toward our \$10,000 goal; so we Need Your Support!

Also, if you need to reserve a scooter for the walk, please be sure to send either a team captain or me an email so we can be sure we have your name on the list.

That said, please go to <http://tiny.cc/1zlo9> sign up as a walker *or* if you prefer, use this link to send to friends/family to help Tom's Scooterbakers meet our \$10,000 goal.

See you next month!

Maureen and Tom

As you probably read about in *Turning Wheels* or on the SDC Forum, a new, more contemporary logo was developed to aid in marketing the Studebaker Drivers Club to younger potential members who may not relate as easily to the official SDC logo with its wooden spoked wheel design. The original logo is still an official club trademark! The new logo is authorized for SDC Chapter Editors' usage in their newsletters. It is also approved for use in chapter websites.

STUDEBAKER MEDIA

This is a 99 page book based on the articles of the same name that appeared in *Turning Wheels* in the early 1990s and which won the SDC's Churchill Award for Best Article, Non-Paid. The book contains all the material from the original series, which ran for a year and a half in *The Hillholder*, and not only replaces some material edited out for the *TW* series, but has updates and several new items that were written after the *TW* series was published.

"Some Thoughts" is aimed at the first-time restorer, but will be of value to the more experienced; it doesn't try to be a "how to restore a car book", but gives you a look at the decision-making processes, tools, spaces and basic skills you'll need to do a restoration, and will provide a framework to help you structure your project.

There are several chapters of Studebaker-specific advice. In the chapter devoted to engine rebuilding, I've tried to describe a step-by-step process that anybody can follow, and I've tried to include tips I've picked up in building 60+ engines. I've received many compliments on the engine chapter, and I'm glad to finally be able to get it in print.

Some Thoughts on Restoring a Studebaker is available for \$22.50 USD, plus \$4 for handling and postage, for a total of \$26.50 to US addresses. Canadian orders add \$6.50 USD for postage, total \$29.00 USD. To order a second book in the same order, add an additional \$3 (\$4 USD for Canadian orders). For Australia and Europe, shipping is \$12, total \$34.50 USD paid by PayPal only.

The easiest way to purchase (and the only way if you are in Australia or Europe) is to PayPal the appropriate amount to me at chuck@lampman.com, and mention *Some Thoughts* in the remarks section. Otherwise, if you live in the US or Canada, send your name, mailing address and a check or USPS money order for \$26.50 (\$29.00 USD bank draft for Canadian buyers) to:

Chuck Lampman
4141 Lynette Ct.
Kennesaw, GA. 30144-2293

If mailing payment, please email me to notify me that the check is coming so I can set one aside for you, or get some more printed. (I try not to keep too big an inventory because they are expensive to stock.) (1/2011)
