## SLOW START, BUT ORPHAN SHOW WAS A SUCCESS: STUDES RULE!

Saturday started slow with drizzles and some downright downpours, but the lines kept filling up and the cars kept showing up. Rain is the downfall of all outdoor car shows, but fortunately the heavens closed up and the cars showed up.

Susan Schittler stands besides her late father's car. She has been waiting forever, it seems, for the restoration to be finished.

The Flamingo Hawk got folks attention.

George Bugg likes what he sees, Terry Nash's beautiful Studebaker truck.

## 30 years of Turning Wheels and their binders will be put on auction at the June meeting. Place your bids.

Bob Lytle is moving and cannot take everything and that means his 30 year collection of Turning Wheels and the binders that he bought to display them. As a very generous gesture, he is donating the proceeds from the sale of the magazine to the club treasury. Don Smith started the bidding base at \$100. Bids will be taken from the attendees at the June meeting. Phone your bids to 706-354-4600.

### Meeting Agenda:

Under the white club canopy, Barbara started the meeting. Some of the items of interest were:

#### Studebaker National Meet

We are going to try and have a dinner of all members going to the meet.. Cell phone numbers will be collected at the meeting and will be in the next Hillholder. (This one).

#### Myrtle Burris

has had hip surgery again, and is resting comfortably at home according to Ed. Please think of her and send a card.

### Turning Wheels Auction

Bob Lytel is donating his entire collection of the past 30 years of Turning Wheels. This are in very nice binders and will be a great collection for any Studebaker enthusiast. We agreed to end the auction at the next meeting in June. Don Smith put the starting bid at \$100 (the binders alone cost more than that). One bidder upped that to \$110. So that is where the bidding ended. It will be concluded at the next meeting.

## June 3 Meeting at Stone Mountain Park—free admission

Map of meeting site at Stone Mountain Park. The Museum is located on Robert E. Lee Boulevard.

### Say you're with the Studebaker Club

According to a Stone Mountain Park official, just mention the Studebaker Club at the park gate and they'll let us in, no charge. The museum opens at noon on Sunday and will be ready for our usual 1:30 arrival time. Everyone has to remember to bring everything needed for a picnic: food, drinks, utensils, plates, cups, napkins, serving dishes and utensils and garbage bags. Tables and chairs will be provided.. There is a dumpster for the garbage.

The museum contains the fabulous '48 Tucker and several other unique and interesting cars plus a gazillion antique bicycles and music machines, calliopes and penny arcade machines from 100 years ago, all in good working order.

The park is wonderful and will be a great outing for the family. There are water slides, so bring your swim suit, also a train tour, the gondola to the top of the big rock, a kids play area that's even fun for adults, the "village" with a glass blowing demonstration and other old-time crafts as well as many other things to see and do there. I don't know if there are fireworks and the laser light show on Sunday night, but we'll know by then. After lunch and the meeting, I will lead a driving tour around the park, I think a total of 6 miles.-Rick Kamen
