

Points of Interest

The west suburban area of Chicagoland offers many interesting places to stop and visit. Several locations listed below are included in our scheduled driving tours, other are included should you wish to visit other locations on your own.

- **Volo Village** www.volocars.com
The vast collection of antique shops and antique/collector/muscle cars. Volo Village will be the destination of our Sunday tour.
- **Fermi National Laboratory** www.fnal.gov
A national laboratory where scientists study nuclear physics. This will be a destination of our Friday tours.
- **Naper Settlement** www.napersettlement.org
Recreation of 19th century living in DuPage County. A true “living” museum. . This will be a destination of our Friday tours.
- **Graue Mill** www.grauemill.org
A 19th century Grist Mill, still operational, this was also a station for the underground railway.
- **Chicago Premium Outlet Mall**
www.premiumoutlets.com/outlets/outlet.asp?id=63
A must for the shopper. One of the newest and largest Outlet Malls and is just a short distance from the Meet Hotel.
- **Morton Arboretum** www.mortonarb.org
The former estate of industrialist Robert McCormick. A “must see” for anyone with an interest in plants, shrubs and trees.
- **Cantigny Park** www.cantignypark.com
World War I Museum, Golf Course, and beautiful gardens all at one majestic setting.
- **Relic Trolley Museum** www.foxtrolley.org
Take a ride back in time on an electric Interurban trolley. Interurban trolleys were the mainstay of civil travel in the time before the automobile.
- **Joliet Speedway** www.chicagolandspeedway.com
NASCAR fans will feel right at home.
- **Illinois Railway Museum** www.irm.org
Welcome to the largest railway museum in the country. Their extensive collection includes artifacts from most major railroads.
