

Driving Tours

For the 2006 Upper Mississippi Valley Zone Meet we have a variety of Tours planned. We think a Zone Meet should be more than just a car show, these cars were meant to be driven, so let's get out there!!

When you arrive at the Zone Meet, you will be provided with a complete Meet Guide Book which will include specific driving directions and maps for all Tours.

FRIDAY DAYTIME TOURS (9:00 or 9:30 am to 3 pm) Fermi National Laboratory and Naper Historical Museum

We will conduct two simultaneous tours during the daytime on Friday. Both tours will go to the same destinations, but will split the attendees into manageable sized groups. One group (starting at 9:00 am) will go to the Fermi National Laboratory www.fnal.gov and then to the Naper Historical Museum. www.napersettlement.org. The other tour (starting at 9:30 am) will go to Naper first and then to the Fermi Labs. A guided tour is provided at Fermi Labs, while there is a self-guided tour at Naper Settlement. *The cost of this tour is \$8.00 per person to cover admissions.*

FRIDAY EVENING TOUR (5:00 pm to 9:00 pm) Downers Grove Cruise Night

We will tour to Downers Grove to attend one of the largest Cruise Night productions in the Chicago area. We will be the feature cars for the evening, with the "main drag" reserved exclusively for us. There are lots of great shops and restaurants in this thriving suburban downtown setting. www.downtowndownersgrove.com

SUNDAY DAYTIME TOUR (9:00 to???) "Volo Village" Antique Mall & Car Museum

Join us as we conclude our Zone Meet with a beautiful drive through the country to the northwestern farm community of Volo, Illinois. There will be reserved parking for our group on the Parking Green. The Volo Village has multiple buildings with antiques and other items, for sale, to suit the taste of any shopper. There are also five buildings with antique or significant automobiles. Most cars are for sale. A great way to bring our Zone Meet to a close. After you have had a chance to look through all of the Volo Village, it's time to depart, on your schedule, and head back home. *We are negotiating a reduced Admission Rate to the Volo Village for all who attend this tour.* www.volocars.com

Have a safe trip home. Glad you came to the Chicago area to join us.
